

# PRODUCT GUIDE

## Dedicated Downflow

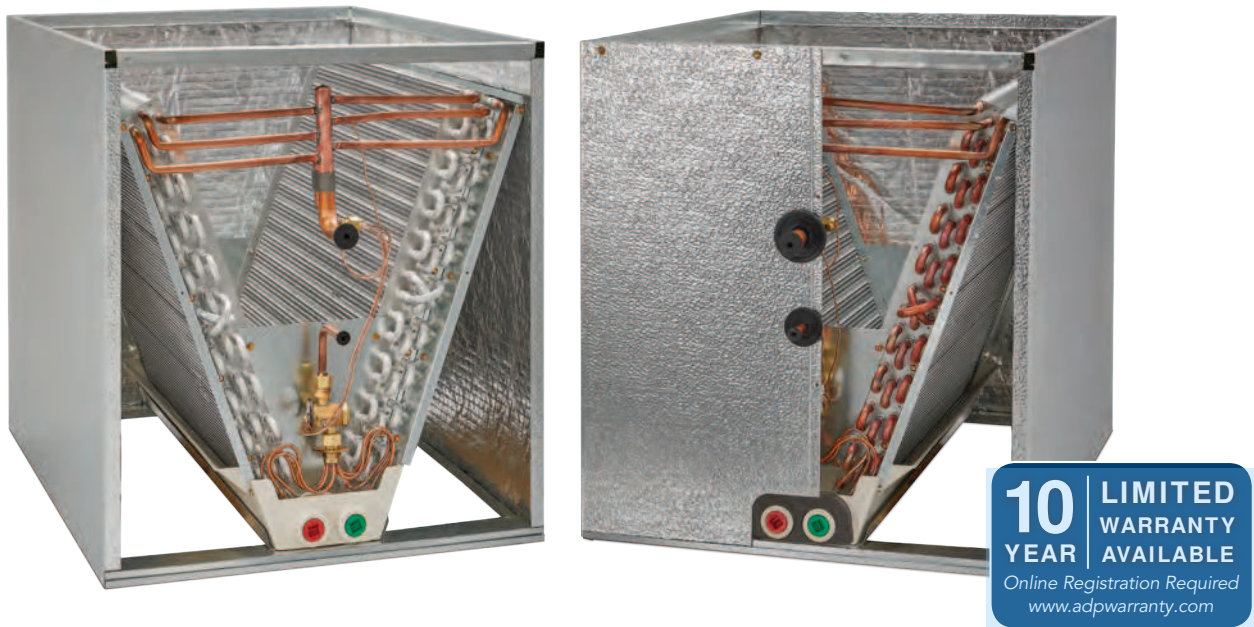

Premier Evaporator Coil

---

## Worry-free Dedicated Downflow

ADP premier evaporator coils match perfectly with your system, providing an upgrade over standard matched coils. ADP coils are thoroughly tested to ensure quality and deliver reliable ratings, as well as designed to save customers time on installation while ensuring a leak-free system. ADP evaporator coils are the perfect solution for your application.

FEATURE	BENEFIT
Fits Furnace	Full depth cabinet; no additional furnace support needed
Uniform Air Flow	Better air flow for higher performance versus N-coil
No Kit Needed	Out-of-the-box reliable downflow solution
Short Height	Fits in height constrained spaces
Factory Installed TXV	All threaded connections saves time in the field
Full Access	Front panel with only six screws for fast and easy coil access; non-captive refrigerant lines

ADP dedicated downflow evaporator coils are made to match perfectly with your system, providing an upgrade over standard matched coils.

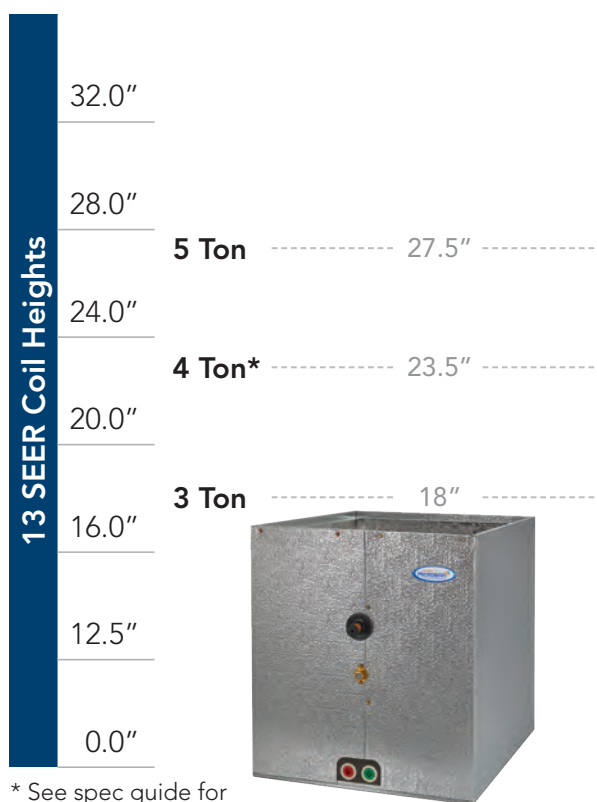

## Perfect Fit

- Full depth cabinet for a sturdy installation
- Perfect width fit for a cleaner design
- Braced cabinet for added strength

## Short Height

- Fits in height constrained spaces
- Space savings opportunities

\* See spec guide for available models

## THE ADP ADVANTAGE

- |                       |   |
|-----------------------|---|
| <b>PROTECTION</b>     | ADP is the exclusive provider of coils featuring antimicrobial product protection by Microban®, a recognized consumer brand.  |
| <b>QUALITY</b>        | ADP proprietary testing technology ensures leak-free performance at the higher operating pressures of R-410A systems.   |
| <b>SERVICE</b>        | ADP coils are made for seamless installation and easy access.   |
| <b>ENERGY SAVINGS</b> | Many models are available to achieve higher SEER levels for ENERGY STAR compliance, utility rebates, and federal tax credits.   |
| <b>WARRANTY</b>       | ADP coils come with a no hassle 5-year warranty and feature an available 10-year limited warranty. Simply register online at <a href="http://www.ADPwarranty.com">www.ADPwarranty.com</a> . |
