

## ALL PURPOSE CLEANER FOR COILS AND OTHER SURFACES

- Powerful environmentally friendly formula for all purpose cleaning
- Ready-to-use spray bottle or concentrate version to be diluted per job
- Approved by the EPA Safer Choice Program
- Safe and non-flammable
- Green Clean is biodegradable
- Use it everywhere!

### Description

Green Clean is a pleasantly scented, concentrated environmentally friendly, all-purpose cleaner designed for the rapid removal of grime and other heavy soils. It instantly penetrates greasy and oily surfaces, providing powerful emulsifying ingredients that chemically soften and dissolve the deposits, making them easy to remove. A safer, effective, alternative to toxic cleaners, bleaches and solvents! Green Clean is non-corrosive, economical and is qualified by the U.S. EPA Safer Choice Program. The Green Clean quart comes with a versatile foam tip applicator, which provides the choice of either a spray or foam application.

### Application Guidelines

- **Coil Cleaning:** As an emulsifier of soil and grime, Green Clean is an excellent cleaner for air-cooled condensers, evaporator coils and other finned coils. Use Green Clean diluted 11:1 with water.
- **General Cleaning, Walls, Woodwork:** Use Green Clean diluted 11:1 with water.
- **Fabric, Vinyl Upholstery, Similar Surfaces:** Use Green Clean diluted 30:1 with water.
- **Floor Tile, Linoleum, No-Wax Floors, General Carpet:** Use Green Clean diluted 50:1 with water.
- **Glass, Mirrors, Stainless Steel and Similar Surfaces:** Use Green Clean diluted 150:1 (approximately 1/4 oz. in one quart of water).
- **Counter Tops, Carpet and Similar Surfaces:** Use Green Clean spray bottle or diluted 11:1 with water to remove stubborn marks and stains from these surfaces.
